PETITIONS AND COMMUNICATIONS

State of Wisconsin
Legislative Council

March 1, 1994

To the Honorable the Legislature:

I am pleased to transmit to you the following report to the 1993 Legislature on legislation introduced by the Legislative Council:

RL 93-18-- Legislation on Tribal Law Enforcement Officers (1993 Assembly Bill 1198)

I would appreciate your including this letter in the Journal for the information of the membership. Additional copies of this report are available, on request, in the Legislative Council offices, One East Main, Suite 401.

Sincerely,
David J. Stute
Director

State of Wisconsin
Legislative Audit Bureau

March 1, 1994

To the Honorable the Legislature:

We have completed an evaluation of the State's Sentencing Commission as directed by 1993 Wisconsin Act 16. The Commission was created in 1984 to develop guidelines for the sentencing of convicted felons.

Guidelines for approximately 70 percent of felony cases have been promulgated, and the remainder are scheduled to be issued by 1995. Although judges are not required to follow the guidelines, there is considerable acceptance of them by the judicial community. For the most commonly occurring felonies, complete or partial agreement between actual sentences and the guidelines ranged from 70 to 85 percent in 1992.

If the guidelines continue to be based on past sentencing practice, continued staff effort will be required for updates and revisions even after all guidelines have been issued in 1995. While this function, and others currently performed by staff of the Commission, could be transferred to another agency, it is unlikely significant cost saving could be realized because the Commission's activities are unique and probably could not be assumed by others without staff increases.

Commission staff have argued in recent years that the commission budget is inadequate to meet fully all of the Commission's responsibilities under its broad statutory mission. Our report and a separately issued management letter contain a number of suggestions for the Commission to improve its ability to assess needs, manage and allocate resources, and establish priorities.

We appreciate the courtesy and cooperation extended to us by the members and staff of the Commission, and the many judges we interviewed. A response from the Executive Director is Appendix II.

Sincerely,
Dale Cattanach
State Auditor
